

The Running Bean

VILLAGE MARKET AT LOIS WEEDON

Car Parking at the Market

It is essential we give consideration to our neighbours and local large agricultural traffic; please give all sympathetic consideration. Thank you

Alternative parking, wet or adverse weather, when parking in Mr C Burbidge's field too difficult, is in St Loys School Car Park, by kind permission of the Head and the School. Please see next page

Should you need to park on the road, please leave sufficient room for large agricultural vehicles to pass – Thank you.
